A BILL

To provide faster and smarter funding for first responders,
and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Faster and Smarter
5 Funding for First Responders Act of 2005”.

1 **SEC. 2. FINDINGS.**

2 The Congress finds the following:

3 (1) In order to achieve its objective of mini-
4 mizing the damage, and assisting in the recovery,
5 from terrorist attacks, the Department of Homeland
6 Security must play a leading role in assisting com-
7 munities to reach the level of preparedness they need
8 to respond to a terrorist attack.

9 (2) First responder funding is not reaching the
10 men and women of our Nation's first response teams
11 quickly enough, and sometimes not at all.

12 (3) To reform the current bureaucratic process
13 so that homeland security dollars reach the first re-
14 sponders who need it most, it is necessary to clarify
15 and consolidate the authority and procedures of the
16 Department of Homeland Security that support first
17 responders.

18 (4) Ensuring adequate resources for the new
19 national mission of homeland security, without de-
20 grading the ability to address effectively other types
21 of major disasters and emergencies, requires a dis-
22 crete and separate grant making process for home-
23 land security funds for first response to terrorist
24 acts, on the one hand, and for first responder pro-
25 grams designed to meet pre-September 11 priorities,
26 on the other.

1 (5) While a discrete homeland security grant
2 making process is necessary to ensure proper focus
3 on the unique aspects of terrorism prevention, pre-
4 paredness, and response, it is essential that State
5 and local strategies for utilizing such grants be inte-
6 grated, to the greatest extent practicable, with exist-
7 ing State and local emergency management plans.

8 (6) Homeland security grants to first respond-
9 ers must be based on the best intelligence con-
10 cerning the capabilities and intentions of our ter-
11 rorist enemies, and that intelligence must be used to
12 target resources to the Nation's greatest threats,
13 vulnerabilities, and consequences.

14 (7) The Nation's first response capabilities will
15 be improved by sharing resources, training, plan-
16 ning, personnel, and equipment among neighboring
17 jurisdictions through mutual aid agreements and re-
18 gional cooperation. Such regional cooperation should
19 be supported, where appropriate, through direct
20 grants from the Department of Homeland Security.

21 (8) An essential prerequisite to achieving the
22 Nation's homeland security objectives for first re-
23 sponders is the establishment of well-defined na-
24 tional goals for terrorism preparedness. These goals
25 should delineate the essential capabilities that every

1 jurisdiction in the United States should possess or
2 to which it should have access.

3 (9) A national determination of essential capa-
4 bilities is needed to identify levels of State and local
5 government terrorism preparedness, to determine
6 the nature and extent of State and local first re-
7 sponder needs, to identify the human and financial
8 resources required to fulfill them, and to direct fund-
9 ing to meet those needs and to measure prepared-
10 ness levels on a national scale.

11 (10) To facilitate progress in achieving, main-
12 taining, and enhancing essential capabilities for
13 State and local first responders, the Department of
14 Homeland Security should seek to allocate homeland
15 security funding for first responders to meet nation-
16 wide needs.

17 (11) Private sector resources and citizen volun-
18 teers can perform critical functions in assisting in
19 preventing and responding to terrorist attacks, and
20 should be integrated into State and local planning
21 efforts to ensure that their capabilities and roles are
22 understood, so as to provide enhanced State and
23 local operational capability and surge capacity.

24 (12) Public-private partnerships, such as the
25 partnerships between the Business Executives for

1 National Security and the States of New Jersey and
2 Georgia, can be useful to identify and coordinate pri-
3 vate sector support for State and local first respond-
4 ers. Such models should be expanded to cover all
5 States and territories.

6 (13) An important aspect of essential capabili-
7 ties is measurability, so that it is possible to deter-
8 mine how prepared a State or local government is
9 now, and what additional steps it needs to take, in
10 order to respond to acts of terrorism.

11 (14) The Department of Homeland Security
12 should establish, publish, and regularly update na-
13 tional voluntary consensus standards for both equip-
14 ment and training, in cooperation with both public
15 and private sector standard setting organizations, to
16 assist State and local governments in obtaining the
17 equipment and training to attain the essential capa-
18 bilities for first response to acts of terrorism, and to
19 ensure that first responder funds are spent wisely.

16 which they would, by achieving, maintain-
17 ing, or enhancing the essential capabilities
18 of the applicants on a nationwide basis,
19 lessen the threat to, vulnerability of, and
20 consequences for persons and critical infra-
21 structure; and

22 “(ii) in evaluating the threat to per-

16 under subsection (c)(1)(C);

17 “(ii) each of the States, other than
18 the Virgin Islands, American Samoa,

20 “(7) PROVISION OF REPORTS.—The Secretary
21 shall ensure that each annual report under para-
22 graph (5) is provided to the Under Secretary for
23 Emergency Preparedness and Response and the Di-

9 the grant, the Secretary may—

10 “(A) reduce grant payments to the grant
11 recipient from the portion of grant funds that
12 is not required to be passed through under sub-
13 section (g)(1);

14 “(B) terminate payment of funds under
15 the grant to the recipient, and transfer the ap-
16 propriate portion of those funds directly to local
17 first responders that were intended to receive

20 15-day period. The Secretary may approve such a
21 request, and may extend such period for additional
22 15-day periods, if the Secretary determines that the

3 “(3) PROVISION OF NON-LOCAL SHARE TO
4 LOCAL GOVERNMENT.—

5 “(A) IN GENERAL.—The Secretary may
6 upon request by a local government pay to the

24 timate recipient or intended beneficiary in
25 the approved grant application;

1 “(ii) it was intended by the grantee to
